

# INVESTEMENT JUDGMENT ADVISOR

Jhiin Joo (jhijoo@usc.edu)

This software is an interactive demo of *Chapter 7 Assisting in Making Investment Choices – Investment Judgment Advisor*. It is used to determine the investment alternative in your portfolio.

Here, we provide brief descriptions of how to use this software:

- 1) Download the “IJA\_demo\_MAC” zip file from <http://sipi.usc.edu/~mendel> and extract it in the “work” folder under a Matlab.
- 2) Run a Matlab and go to the folder “IJA\_demo\_MAC”. Make sure that your current directory is “.../work/IJA\_demo\_MAC”.
- 3) Simply type “IJA\_demo” on the command window.  
(It is not case-sensitive.)
- 4) IJA\_demo will guide you throughout the process.

Any query about this software can be made to “jhijoo@usc.edu”.
